On January 9, 2019, this officer received a call from Mr. Cardenas and he stated to have reported to Merit Resource services the previous day for urinalysis (UA) testing. He stated the test results were presumptive positive for cocaine use. He denied consuming any drugs recently. He then went on to state he wanted to be honest with this officer and reported to have consumed cocaine on December 27, 2018.

On January 11, 2019, the UA test results from a specimen collected on January 8, 2019, were negative for drug use.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
